## Wildcare: Friends of Lumeah Point 5 Year Plan

Further to our meeting with you on Tuesday 17<sup>th</sup> December 2013 I am pleased to provide the following responses to our discussions and your advice:

- Consultation with local residents and interest groups has continued. Currently Windsurfers Tasmania and the Pipeclay Lagoon Oyster Growers Association have representation on our committee.
- We have established a local Wildcare group; Wildcare: Friends of Lumeah Point to enable formal relationships to be established with Government, grant submissions to be developed and projects to be managed and resourced under the auspice of Wildcare.
- A five year plan has been developed and is submitted herewith for your information and any further advice arising from it. Prices on the plan are estimates provided by relevant professionals and can be itemised and confirmed once in principle agreement is reached on the plan

We are now seeking approval from Crown Land Services to proceed with the first year's program of works as outlined in the Plan.

Yours Sincerely

Garry Hulme

President

Wildcare: Friends of Lumeah Point
