**Endorsements and Permits**

**Endorsements** - all works must have the endorsement of the manager/owner of the land on which the works will take place. Other works may require written support from relevant Government program managers. Please attach a Letter of Endorsement from the relevant manager/s OR confirm that you as the applicant are authorised to provide land manager endorsement. A related Volunteer Program Plan may be a useful supporting doc to also attach.

**Permits** - some proposals also require an environmental or scientific permit to proceed. Please attach a copy of any relevant permits obtained.

Contact the Wildcare office for assistance if unsure.
